

STATISTICAL PRACTICE IN CANCER CONFERENCE

Stabile Research Building, Ted & Marty Couch Auditorium

Friday, February 28, 2020

8:00 a.m. - 8:00 p.m.

Including Dinner

Saturday, February 29, 2020

8:00 a.m. - 12:00 p.m.

Keynote Speakers

Paul Scheet, Ph.D.

Professor and Chair, Department of Epidemiology
MD Anderson Cancer Center

Xiangqin Cui, Ph.D.

Research Associate Professor, Biostatistics and Bioinformatics
Emory University

The goal of this one-and-a-half day conference is to enhance “best statistical practices” for cancer center biostatisticians. The emphasis is on practical solution to challenges we often face and opportunities to gain efficiencies in our collaborations.

Please submit your abstracts before December 16th, 2019 and/or register by January 20th, 2020
at www.beststatisticalpractices.org
